

# **NOTICE OF PASSAGE OF RESOLUTION OF INTENT TO ADOPT THE STILLWATER COUNTY DEVELOPMENT REGULATIONS**

The Stillwater County Board of County Commissioners passed Resolution 2021-13, a Resolution of Intent to Adopt the Stillwater County Development Regulations, at their meeting of June 15, 2021. The decision followed a public hearing held on March 16, 2021.

The boundaries of the Development Regulations include all unincorporated areas of Stillwater County. The proposed Regulations establish existing system and process for review of certain land use proposals, including a conditional use process requiring a public hearing for industrial, commercial, and multi-family uses.

The Stillwater County Commissioners will accept written protests to the proposed Development Regulations until July 19, 2021. Written protests should be addressed to the Stillwater County Commissioners, PO Box 970, Columbus, MT 59019, and should reference the proposed Development Regulations.

The proposed Development Regulations are available for public inspection at the Stillwater County Clerk and Records Office or online at: <https://www.stillwatercountymt.gov/departments/planning/>.
